

EcoVisio in Action - December 2021!

Greetings, winter!

Is there anyone free of deadlines now? Not us, definitely. However, even in this busy period we manage to develop partnerships and synergies - both in Moldova and internationally (in the picture - we host the association "Green Wave" from Ukraine).

And, as usual, we come with news and new opportunities!

News: stay informed!

[Learn more about our
Climate Department](#)

How to prepare for climate change?

Within the project "[Empowerment for climate action in rural Moldova](#)" we are working with local public authorities, holding trainings in villages, and soon we will have informative videos about thermal insulation and tree-planting! Details [here](#)

#MoldovaOnBikes

To develop alternative transport to have an effect, we signed [a collaboration agreement with the Chisinau City Hall](#), and the "Moldova on Bikes" project joined the [ABC - Chisinau Bicycle Alliance](#). Details [here](#)

Opportunities: get involved!

Energy & climate protection in Moldova - shadow report

On December 14, we will present the shadow report on Sustainable Development Goals 7 and 13, where you will learn how the government and civil society can contribute to access to reliable and sustainable energy for all - and fight against climate change. Details [here](#)

Webinars on funding sources

Do you need support for your business? Learn from experts how you can access [repayable \(December 15\)](#) and [non-refundable \(December 17\)](#) funding! The webinars are free of charge, in Romanian with simultaneous translation into Russian. Register directly [here!](#)

Offers: discover!

Compensează-ți amprenta asupra mediului!

[Green Now](#) – EcoVisio's environmental mainstreaming service is starting a new chapter. We're offering to individuals and organizations opportunities to compensate for their environmental footprint by purchasing green action packages called OFFSETS. For example - training school kids in eco-responsible nutrition. Details [here](#)

Choose EcoVillage for your corporate event!

Are you looking for a great place for a corporate Christmas party or end-of-year retreat? [EcoVillage Moldova](#) is the perfect choice for your team, ecological environment and social entrepreneurship! Hurry up to book by December 10th and get a 10% discount. Discover the complete holiday offer [here](#)

Friends' initiatives

Annual Non-Formal Conference will be held on 21 December to explore the roles and tasks of trainers and to reflect on important trends and issues in the field of non-formal education. Details [here](#)

Climate change in Moldova

In today's world, it's too late to start only with yourself. What you can do alone and with others? Find out from our article [here](#)

Eco-options for everyone

How can you become greener - step by step, - and how to get involved in the development of your locality? Top tips from our experience and from our partners - [in this flyer](#)

Which Christmas tree is the most "eco" one?

There is no perfect answer here, other than "the one that keeps growing in nature, undisturbed". But whatever Christmas tree you choose, avoid artificial snow! Details [here](#)

Anna Bokk has been with us since 2019, now being the coordinator of the "[Moldova #FărăDeșeuri](#)" National Campaign. Seeing what a huge amount of waste each of us "makes", she strives to produce as little trash as possible - and also to "infect" as many people as possible with this approach. Anna also makes amazing vegan desserts!
